

Environmental, Consulting, Engineering & Construction Services

Wetlands Services

Our ecological services department is well versed in the following regulations:

Clean Water Act (CWA), Rivers and Harbors Act, National Environmental Policy Act (NEPA), Endangered Species Act, Migratory Bird Act and National Historic Preservation Act.

SSCI provides the following Wetland Services:

- Threatened and Endangered (T&E) species habitat assessments
- Water Quality sampling
- Storm Water Pollution Prevention Plan (SWPPP) compliance
- Ordinary High Water Mark (OHWM) and Wetland Delineation
- USACE and Coast Guard permitting
- Mitigation Planning
- Restoration Plans
- Oversight and monitoring, wildlife census surveys, wildlife management, vegetative assessments, Spill Prevention Control and Countermeasure (SPCC) compliance, permit preparation, and environmental compliance inspections and management.

Experience

SSCI's experience in regulatory permitting under Section 404 of the CWA and Section 10 of the Rivers and Harbors Act is based on a thorough understanding of the CWA and the USACE permitting process. Wetlands services include regulatory reviews, desktop evaluations, field surveys, jurisdictional determinations, delineations, Section 10 and 404 permitting, and mitigation planning. Federal-specific and state-specific wetlands and water body regulations are incorporated into SSCI's project planning in order to provide our clients with pre-project consulting, wetlands and waters surveys, project permitting, and post-project mitigation planning and monitoring.

Clients

SSCI has experience providing these services for public, commercial, industrial and non-profit clients such as Armand Bayou Nature Center (ABNC), Brazoria County, City of Houston, City of League City, City of Pasadena, City of Webster, Fort Bend County, US Army Corps of Engineers (USACE), USACE Galveston District, Galveston County, Harris County, Housing and Urban Development (HUD), Houston Parks Board, League City Historical Society, Texas Department of Transportation (TXDOT), Texas Forest Service, Texas General Land Office (TXGLO), Texas Parks and Wildlife Department (TPWD) and US Fish and Wildlife Service (USFWS).
